

PLEASE, please, please DO NOT WEAKEN Wisconsin's No Call List protection! Please leave our law alone! It has been wonderful not having the phone ring from the calls of UNWELCOME telemarketers. (We have never even considered offers from telemarketers because of their irritating approach to selling. Don't they get it?) We do not want to be exposed to telemarketing from businesses or affiliates simply because we have had contact with the business. PLEASE PUT THE NEEDS OF CONSUMERS FIRST, not telemarketers, and keep our home phones quiet and our privacy preserved! Thank you.
